## Contemporary...Traditional...Provincial...

Known for more than 45 years as an outstanding designer and manufacturer of highest quality lighting fixtures for the home, the Virden name and reputation are your assurance of complete satisfaction. For information on planning the lighting for your home, see your electrical contractor, decorator, builder or architect or write to Dept. V-64, The John C. Virden Company, Cleveland 3, Ohio ... or John C. Virden, Ltd., Toronto 16, Canada.

St. Charles Kitchens—Hedrich-Blessing Photograph

## Early American—what's your preference in home decor?

Do you love the easy elegance of Contemporary . . . or do you prefer the gracious charm of Traditional? Is your home furnished in romantic Provincial . . . or did you choose the simple warmth of Early American? Whatever your favorite decor, Virden has *The Light Idea* to enhance it.

Not only will you find a variety of lighting designs styled to your decorative preference, but Virden also presents authentic period pieces to help you reproduce a particular era or flavor in your home decor. Exciting designs that recall the hearty hospitality of the Old West . . . a cozy Colonial kitchen . . . an elegant Victorian sitting room . . . an Oriental or Florentine setting—you'll find them all in these pages. Add distinction, individuality and charm to your home with the enchanting touch of *The Light Idea* by Virden.

## Sculptured Grandeur... Sophistication in Charcoal and Amber Glassware

Excitingly new . . . mysteriously enchanting . . . daring in its undulating color . . . delightful in form . . . a decorator's delight for that special "touch" in home or salon.

**V-1618** Graceful five-light sculptured chandelier in a traditional motif. Beautifully ornamented metal castings in antique brass finish. Charcoal color glass has molded vertical optics. White inner cylinder has horizontal crystal accent lines. Curved, rope twist arms add a subtle design detail that makes this fixture a conversation piece and a treasure to own. 26" spread. Length adjusts to 48" overall. Five 75 watt lamps are recommended.

**V-1619** Same except with Amber glass.

**V-6118** Traditionally styled wall bracket. Ornamental castings in antique brass finish. Charcoal vertical optic glass has white inner cylinder with horizontal lines. Distinctive and rich in appearance. 10 $\frac{3}{4}$ " high, 10" extension. 5 $\frac{3}{4}$ " backplate. On/off switch. One 75 watt lamp recommended.

**V-6119** Same except with Amber glass.

**V-5121** Distinctive ceiling fixture with a traditional flair. Antique brass finish on ornamental castings. Vertical optic charcoal color outer glass has white inner cylinder with clear horizontal lines. Sophisticated lighting to add decorative charm to home or commercial interior. 8" diameter glass. 12" length. One 75 watt lamp.

**V-5122** Same except with Amber glass.

**V-1627** 12" diam. x 21½" high. 100 watt lamp.

**V-1624** 10" diam. x 19½" high. 100 watt lamp.

**V-1621** 8" diam. x 15½" high. 75 watt lamp.

Exquisite beauty in a chain suspended fixture. Striking vertical optic glass in charcoal has white inner glass cylinder with fine horizontal lines to add to its distinctive styling. Ornamental castings have antique brass finish. On/off switch. Length adjusts to 48" overall. (See page 34 for versatile mounting kits. Permits hanging chain fixtures in dramatic locations.)

**V-1628** 12" diameter Amber Glass. 100 watt lamp.

**V-1625** 10" diameter Amber Glass. 100 watt lamp.

**V-1622** 8" diameter Amber Glass. 75 watt lamp.

**V-6021** Classic wall mounted fixture. Charcoal glass in molded vertical optic has white inner cylinder with clear horizontal lines. Ornamental castings have antique brass finish. 15" high, 10½" extension. 5¾" diameter backplate. On/off switch. One 75 watt lamp.

**V-6022** Same except with Amber glass.

## Sculptured Glass...

### New Distinction in Form and Color

A designer's dream for an individual decorator touch

**V-1609** • Dramatic baroque design presents the sculptured beauty of charcoal vertical optic glass richly accented with metal rope twist arms in luxurious antique brass finish. Unique beauty for foyer, living or dining room. 48" length, 21" spread. Two 100 watt lamps.

**V-1613** • Distinctive charcoal glass with vertical optic effect in a setting of ornamental splendor. This magnificent 3-arm chain fixture with its unusual design is finished in rich antique brass sculptured castings. 48" length, 25" spread, 16" height. Center globe can be lighted separately with 3-way switch. Four 75 watt lamps.

**V-1168** • The exotic oriental flair in color and design make this fixture a dramatic conversation piece in any room. The ruby red, hand blown cased glass with its melon shaped optics is richly ornamented with antique brass castings. Length 48", diameter 12 3/4". One 100 watt lamp.

# Authentic Hand Decorated Tole Lamps... Capturing the Provincial Elegance of the 18th Century

the  
light  
idea

**V-1316** • A luxurious decorator touch for dining room or library is this exquisite Tole chandelier in soft dark green and gold enameled metalware. Graceful polished brass arms and rich walnut wood reflect impeccable taste. 36" length, 22" spread, 15½" high. Five 75 watt lamps.

**V-1649** • Delightful green and gold Tole lantern with the authentic French look. Frosted white chimney with polished brass smoke bell, chain and trim. A distinguished compliment to dining room, foyer or family room. 19" diameter, 36" overall. 3-way switch. One 50-100-150 watt lamp.

**V-5106** • Charming matching ceiling light with Tole green shade enhanced by curving polished brass arm and trim. Nice for hallways, small rooms. 5¼" diameter, 12½" length. One 75 watt lamp.

**V-1306** • Elegant matching 3-light Tole fixture with rich polished brass and walnut enhancing the beauty of green and gold shades. 36" length, 19" spread, 15½" high. Three 75 watt lamps.

**V-6106** • Matching Tole wall bracket with polished brass trim. 5¼" diameter, 11" length, 7½" extension. On/off switch. One 75 watt lamp.

**V-5055** • Elegant ceiling fixture. Striking opalescent globe has pearlescent colors. Antique brass finish with fluted accents. 6" diameter. Length 8½". One 75 watt lamp.

## Gilded Opalescence

Pearlescent pinks, blues and ivory accent the elegance of ornamental metals.

**V-1765** • Sparkling in splendor. Five light opalescent globe chandelier with gracefully curved arms conforming to the symmetry of the designer's original concept. 6" opalescent glass has subtle pearlescent colors. Lighted or unlighted the pearl-like tones combined with the antique brass add a priceless quality. 22" spread. Length adjusts to 36" overall. Five 60 watt lamps. Hi-Lo on/off switch to control lighting level.  
**NOTE:** For individual preference, up or down mounting is possible. (See illustration).

**V-1769** • 10" diam. x 18" high. 100 watt lamp.  
**V-1767** • 8" diam. x 15" high. 75 watt lamp.

Chain suspended fixture with traditional charm. Opalescent glass sphere in pearlescent shell-like pinks, blues, ivory. Sculptured metal castings in antique brass finish. On/off switch. Length adjusts to 48" overall. (Can easily be converted to 3-light cluster. See "swag kit" and "spreader kit" on page 34.)

**V-6150** • Opalescent wall bracket with fluted antique brass fittings. 6" diameter globe in pearlescent colors. (Fixture can be hung as shown or inverted.) 11" high, 11" extension. 5" diameter backplate. On/off switch. One 75 watt lamp.

# Victorian Elegance...

the  
light  
idea

Decorative glass stylings . . .  
superbly fashioned with a note  
of nostalgic charm . . . adapted  
for current traditional  
interior motifs.

**V-6131** • Imaginative designing has fashioned this classic wall bracket in beautiful opalescent glass with a crystal coin dot optic pattern, and white inner cylinder. Antique brass finished metal castings. 8" dia. globe. 15" high, 10½" extension. 5¾" dia. backplate. On/off switch. One 75 watt lamp.

**V-1636** • A new, exciting style in traditional chandelier. Flower-like designs in French white opalescent glass with crystal coin dot optic pattern, set in antique brass gracefully curved, ornately sculptured arms. A chandelier of decorative enchantment suited for the most discriminating. 23½" spread. Length adjusts to 36" overall. Six 75 watt lamps.

**V-1634** • 10" dia. x 18" high. 100 watt lamp.  
**V-1631** • 8" dia. x 15½" high. 75 watt lamp.

Shimmering enchantment in a chain suspended lantern. French white opalescent glass globe with crystal coin dot optic pattern, with white inner cylinder. Antique brass on sculptured metal components. Opalescent colors delightfully decorative when fixture is illuminated. Length adjusts to 48" overall. On/off switch.

**V-1764** • Traditional elegance in a richly styled 2-light opalescent glass sphere lamp. Richly sculptured antique brass finished rope twisted arms and fittings add a note of splendor. 21" spread. Length adjusts to 48" overall. Two 75 watt lamps.

# Glittering Hand Cut Crystal... Traditional Elegance for Dining

**V-1396** • A design of elegance featuring the craftsmanship of wood polished, beveled, and hand cut glass panels enhanced by the walnut center stem finished with polished brass finials. 36" overall, 20" spread, 17" high. Six 75 watt lamps.

**V-5192** • Matching 2-light ceiling piece with beveled crystal panels, walnut stem and polished brass finish. Adds sparkle to hallway, dinette, bedroom. 8" square, 11" length. Two 75 watt lamps.

**V-1394** • Beveled crystal panels with sunburst design make an exquisite chain hung fixture for living or dining room or entrance hall. Walnut stem, polished brass finish. 36" overall, 12" spread. Three 75 watt lamps.

**V-1392** • Matching 2-light chain hung fixture with sparkling clear crystal panels hand cut in sunburst design. Walnut stem, polished brass finish. Adds a brilliant note to entrance hall, dining or living room. 8" square, 36" overall. Two 75 watt lamps.

# CRYSTAL CHANDELIERS

Contemporary chandeliers, styled for today's formal hostess, enable you to enjoy the magnificence of truly elegant furnishings . . . choose from these classic designs.

**V-4017** • Enjoy the shimmering enchantment of a real crystal chandelier for dining. Dozens of sparkling wood-polished cut crystal prisms reflect light in all directions from this two-tiered creation with its matching glass bowls and lacy, perforated brass galleries. 17" diameter, 12 $\frac{3}{4}$ " height. Four 60 watt lamps.

**V-1015** • Romance of crystal for dining or bedroom. Glittering cut crystal prisms, wood-polished, surround a simulated cut glass bowl. Lacy, perforated, polished brass gallery and trim add gleaming accents. 15" diameter, 8" height. Three 60 watt lamps.

**V-1385** • Matchless beauty in an exquisite five light chandelier of rare, delicate design. Graceful polished pewter arms and swirls complement the sparkling crystal glass. Brings charm and elegance to your dining or living room. 36" overall, 23" spread, 18" high. Five 75 watt lamps.

**V-6185** • Lovely polished pewter and crystal wall bracket, designed as a companion piece for crystal chandelier above. Delicate beauty flatters a dining room sideboard, graces a hallway, or can bring charm to a powder room. 11 $\frac{1}{2}$ " high, 6 $\frac{1}{2}$ " extension, 11 $\frac{1}{2}$ " spread. On/off switch. Two 75 watt lamps.

**V-5091** Charming Early American hobnail ceiling fixture. Hand-blown, milk white hobnail glass shade. Authentic smoke bell. Antique brass finish with maple wood trim, 9½" diameter, length 12". One 75 watt lamp.

**V-1793** Enduring charm in this beautiful antique brass 3-light Early American chandelier. Shades of hand-blown, milk white hobnail glass are accented by rich maple wood and graceful arms. Smoke bells give an authentic touch. 18½" spread. Length adjusts to 36" overall. Three 75 watt lamps.

**V-6080** Matching wall bracket of Early American design. Hand-blown, milk white hobnail glass shade. Authentic smoke bell. Antique brass finish with maple wood trim. On/off switch. Length 12", extends 7½", 5" diameter backplate. One 75 watt lamp.

**SWAG CHAIN KIT**—Decorative way to suspend any Virden chain hung fixture from ceiling *without a ceiling outlet*. Canopy attaches to ceiling, concealing splicing of fixture cord to swag cord. 14-feet of chain, 15-feet of cord with plug and on/off switch. Available in three finishes. (See page 34)

# VIRDEN Luminous Ceilings... Shadowless Lighting

Virден Luminous Ceilings provide full, perfectly distributed light...no glare, no shadows, no eyestrain. Ideal for kitchens, bathrooms, powder rooms, homes, and offices...make them look bright, cheerful, and efficient.

Virден Luminous Ceiling kits are packaged in 3 popular sizes to cover 48, 120, or 192 square foot areas. Diffusing panels and fluorescent strips must be ordered separately. Complete ordering information is shown below.

Virден Luminous Ceilings can be installed as wall to wall lighting, or as a recessed ceiling. No special tools are needed. Easy-to-follow illustrated instructions included in each kit. Installation is simple and fast.

## SIMPLE 3-STEP INSTALLATION

1. Mount Virден fluorescent strips to ceiling.
2. Attach suspension grid system to ceiling and walls.
3. Insert diffuser panels in grid system.

## 1. VIRDEN FLUORESCENT STRIP AND DIMMER

For average illumination, use a minimum of one 40-watt strip for each 8 square feet of ceiling area. For higher, more efficient light levels, use the 2-light, 40-watt parallel strips.

### FLUORESCENT DIMMER STRIP AND DIMMER CONTROL

	FIXTURE	LAMP	TYPE	LENGTH
*	LD-9160	1	40RSLPF/SCR (control fixture)	48"
**	LD-9161	1	40RSLPF/SCR (control fixture)	48"
***	LD-9162	1	40RSLPF/SCR (control fixture)	48"
	LD-9163	1	40RSLPF/SCR (auxiliary fixture)	48"
	LD-9165	1	40RSLPF/SCR (dimmer strip)	48"

### FLUORESCENT STRIP—1 and 2-Light Rapid Start

LD-9133	1	30W Rapid Start LPF	36"
LD-9145	1	40W Rapid Start LPF	48"
LD-9146	1	40W Rapid Start HPF	48"
LD-9151	2	40W Tandem Preheat HPF	96"
LD-9153	2	40W Tandem Rapid Start HPF	96"
LD-9362	2	F40/Parallel Rapid Start	48"

See V-64 Price Sheet for other available fluorescent strip lights.

## VIRDEN (SCR) FLUORESCENT DIMMER SYSTEMS

The new Virден Fluorescent Dimming System is one of the most versatile and efficient systems available for residential and commercial use. It operates at 95% of the rated lamp output with a 500 to 1 dimming ratio. From 1 to 36, 40-watt rapid start lamps can be operated from one intensity selector.

### HOW TO ORDER FLUORESCENT DIMMER STRIPS

- \*1. ONE-12 LAMPS For installations requiring dimming up to 12 lamps (maximum), order 1 LD-9160 and up to 11 LD-9165. Intensity selector with on/off switch is included with LD-9160 and installs into a single gang switch box.
- \*\*2. 13-24 LAMPS For installations requiring dimming up to 24 lamps (maximum), order 1 LD-9161 control fixture, 1 LD-9163 auxiliary fixture, and up to 22 LD-9165 dimming fixtures. Intensity selector is included with LD-9161 and installs into standard 2 gang switch box. Separate on/off switch must be used.
- \*\*\*3. 25-36 LAMPS For installations requiring dimming up to 36 lamps (maximum), order 1 LD-9162 control fixture, 2 LD-9163 auxiliary fixtures, and up to 33 LD-9165 dimming fixtures. Intensity selector is included and installs into 2 gang switch box. Separate on/off switch must be used.

## INTENSITY SELECTOR (SCR)

Controls from 1 to 36, 40-watt lamps. Installs into standard single and two gang wall boxes. Supplied with control fixtures LD-9160, LD-9161, and LD-9162.

## 2. VIRDEN CEILING GRID

Chart shows parts packaged in each kit. For additional parts, where required for odd-size room or where room area is in between two grid system sizes, refer to illustrated diagram and chart with numerical identifications.

### VIRDEN GRID SYSTEM KITS

**V-8875** • 6' x 8' (48 sq. ft. room)

**V-8880** • 10' x 12' (120 sq. ft. room)

**V-8885** • 12' x 16' (192 sq. ft. room)

When ceiling is less than standard kit size, reduction in size can be accomplished by using hacksaw or tin snips.

All Virden metal grid parts are electro-galvanized, bonderized, and finished with hi-bake enamel.

LOCATION ON DIAGRAM	STOCK NUMBER	DESCRIPTION	ILLUSTRATION	QUANTITY IN EACH KIT		
				V-8875 6' x 8'	V-8880 10' x 12'	V-8885 12' x 16'
1 Strip Fixtures—See list at left						
2	F-545	Wall Channel 10 ft.		4	5	6
3	F-543	Main Tee 10 ft.		2	6	10
4	F-542	Cross Tee 2 ft.		9	25	42
5	F-544	Intersection Clip	 	6	20	35
6	V-8888	Grid Support		2	4	6
7	F-546	Channel Connector	 1	—	2	4
8	F-547	Main Tee Connector	 1	—	4	5
9	F-548	Corner Cap (Inner)		4	4	4
	F-574	Corner Cap (Outer)		—	—	—
10	F-580	Hold-Down Clip 1/8"	 2	—	—	—
	F-580-1	Hold-Down Clip 1/2"	 2	—	—	—

**1. INSTALLATION OF FIXTURES.** (a) Minimum requirements, one 40 watt Fluorescent lamp is recommended for every 8 square feet of luminous ceiling. (b) Fixtures should be mounted on centers of every 2 foot module.

**2. WALL CHANNELS F-545—10 FT. LONG.** For best results, grid assembly should be a minimum of 6" below finished ceiling, and approximately 7' 6" to 9' above floor level.

**3. MAIN TEE F-543—10 FT. LONG.** Main tee should be cut 1/4" shorter than required wall to wall dimension.

**4. CROSS TEE F-542.** All cross tees resting in the wall channel must be cut to desired lengths.

**5. INTERSECTION CLIP F-544.** All cross tees are locked into main tee with intersection clip as shown.

**6. GRID SUPPORT ASSEMBLY V-8888.** One support is sufficient for each main tee, located approximately on centers of the main tee lengths.

**7. WALL CHANNEL CONNECTOR F-546.** Connector snaps in place to join wall channels.

**8. MAIN TEE CONNECTOR F-547.** To join main tees, joiner snaps on bead of both main tees.

**9. CORNER CAP F-548 INNER—F-574 OUTER.** Snap over wall channels joints.

**10. HOLD DOWN CLIP F-580—F-580-1.** Use two per diffuser to lock in place.

## 3. VIRDEN DIFFUSER PANELS

Virden diffuser panels are available in 2 sizes; 2' x 2' (4 sq. ft.) and 2' x 4' (8 sq. ft.). Order enough panels to cover the square foot area of the room. Panels can be cut easily for corners or for smaller size fill-ins.

### STRIALITE

**V-8878** • Size 2' x 2' (4 sq. ft.)

**V-8879** • Size 2' x 4' (8 sq. ft.)

Light stable white translucent polystyrene, one side serrated to increase diffusion.

### PIO-GRID

**V-8900** • Size 2' x 2' (4 sq. ft.)

**V-8901** • Size 2' x 4' (8 sq. ft.)

Light, stable, destaticized, white translucent poly-vinyl, perforated for maximum efficiency. U.L. listed as "self-extinguishing." 45° shielding in every direction. 1/2 inch cubed louvers.

## Accent on Design

### Exciting New Glamor for the Bath

Antique brass, polished pewter, rich walnut...the ageless charm of filigree and ornate carved effects...the lovely glow of light through milk white opal glass...all combine to help you give bath or powder room the fashionable new look of beauty.

**V-6530** • Looking for all the world like hand wrought gold, this beautiful polished brass setting holds a gem of pure white glass. A delightful wall bracket for a powder room. 6¼" width, 12" length, 5¼" depth. One 75 watt lamp.

**V-6531** • Polished Pewter

**V-6536** • Framed in the romantic glow of polished pewter, cast to resemble the silversmith's art, a jewel-like white opal glass diffuser casts flattering light in bath or powder room. 5½" width, 20" length, 5" depth. Two 75 watt lamps.

**V-6535** • Polished Brass

**V-6546** • Charming wall bracket of swirled milk white opal glass in a "napkin ring" of richly sculptured polished pewter. Exquisite accent for bathroom accessories. 4" diameter, 15" length, 6¼" extension. On/off switch. Two 75 watt lamps.

**V-6545** • Polished Brass.

**V-6540** • Daintily feminine, with its swirled white opal glass diffuser held in a golden setting of polished brass with charming brass spring decor. An enchanting touch for bath or boudoir. 4½" diameter, 13" length, 7½" extension. On/off switch. One 75 watt lamp.

**V-6541** • Polished Pewter

**V-6572** • Handsome, masculine walnut wood encased in a frame of gleaming satin aluminum and a simple white glass diffuser form this perfect wall bracket for a man's bath or dressing room. 5 $\frac{3}{8}$ " width, 21" length, 4 $\frac{1}{4}$ " extension. Switch and U-ground convenience outlet. Two 75 watt lamps.

**V-6563** • Contemporary masterpiece in walnut wood panel with chromium tipped ends holding a classic white glass diffuser. Ideal note for a wood paneled bath. 5 $\frac{1}{4}$ " width, 22" length, 4 $\frac{1}{2}$ " extension. Switch and U-ground convenience outlet. Two 75 watt lamps.

**V-6566** • Delightful pewter filigree frame for a picture of loveliness. Softly rounded pure white glass diffuser emits flattering light. A real collector's piece. 5 $\frac{7}{8}$ " width, 18 $\frac{1}{4}$ " length, 4 $\frac{1}{2}$ " extension. Switch and U-ground convenience outlet. Two 75 watt lamps.

**V-6165** • Ornately wrought antique brass castings give this elegant ribbed white opal glass wall bracket the authentic traditional look. A luxurious touch for the bath. 4 $\frac{1}{4}$ " diameter, 36" length, 5 $\frac{1}{2}$ " extension. On/off switch. Two 100 watt lamps.

**V-6160** • Vertical wall bracket in antique brass and white opal glass for the powder room. 4 $\frac{1}{4}$ " diameter, 19" length, 7 $\frac{1}{4}$ " extension. On/off switch. One 100 watt lamp.

## Decorative Flattery In Lighting for the Bathroom

Give bathrooms and powder rooms a beauty treatment  
with flattering new fixtures that reflect today's  
higher standards of good taste.

**V-6155** • Luxurious polished pewter wall bracket with delicately scalloped white opal glass shade. 5 $\frac{3}{4}$ " diameter, 9 $\frac{1}{2}$ " length, 8" extension. On/off switch. One 75 watt lamp.

**V-6157** • Twin wall bracket elegantly styled in polished pewter, delicately scalloped opal glass shades. Compliments any color scheme. 9 $\frac{1}{2}$ " length, 14 $\frac{1}{2}$ " spread, 7 $\frac{1}{2}$ " extension. On/off switch. Two 75 watt lamps.

Exciting contemporary wall fixture with classic white opal globes, set in a rich walnut panel with satin aluminum trim. 5 $\frac{3}{8}$ " dia. globes, 6 $\frac{3}{4}$ " extension.

**V-6590** • 3-75W lamps. 21" length. W/U ground c/o.

**V-6591** • 3-75W lamps. 21" length. W/U ground c/o and switch.

**V-6595** • 5-75W lamps. 35" length. W/U ground c/o.

**V-6596** • 5-75W lamps. 35" length. W/U ground c/o and switch.

Sleek tapered wall bracket with glittering crystal beaded design. 4 $\frac{3}{4}$ " backplate diameter, 13" length, 5" extension. One 75 watt lamp.

**V-6550** • Polished brass. Push switch.

**V-6551** • Chromium with convenience outlet.

## Functional One and Two Lamp Fluorescents

the  
light  
idea

Clear light stable styrene diffuser. Linear refracting lens top and bottom. Polished chromium end caps. Can be mounted singly or continuous row with joiner strip shown.
